

CONFIDENTIAL

8 March 1951

MEMORANDUM FOR: ADPC

SUBJECT:

1. The undersigned has known the subject for several years on a casual social basis.

He seems to be steady and level headed but perhaps lacking somewhat in imagination.

2. If the subject were willing to serve overseas he might well be of interest to FE. It is, therefore, recommended that the Personnel Office get in touch with him to determine the type of employment that he is seeking and at what level.
